Section 1

THE BUYER:

1. The BUYER shall NEVER surrender the cat/kitten to a pet shop, humane society, animal shelter or any other place of similar characteristics. Neither shall the BUYER surrender the cat to be studied for scientific or research purposes.
2. The BUYER shall maintain the cat/kitten in optimum conditions, providing all required for the physical and psychological well being of the cat/kitten.
3. The BUYER expressly states herein that the cat/kitten shall remain INDOORS only.
4. The BUYER shall always keep the BREEDER informed of the whereabouts of the cat/kitten and shall notify the BREEDER of any change of address, telephone number, etc.

5. Should the BUYER place the cat/kitten with a third party (hereinafter NEW OWNER) in the future, the BUYER shall make every effort to assure the well being of the cat and suitability of the new home. The BUYER shall inform the BREEDER of said new ownership and make the NEW OWNER aware of this Agreement. All terms and conditions of this Agreement shall be transferred to the NEW OWNER, who shall be fully responsible for compliance with the same.
6. The BUYER shall notify the BREEDER of any future health problem that could be hereditary or genetic. (see Section 2, point 4).
7. The BUYER shall not breed the cat unless sold as a breeding/show cat.
8. Should the BUYER fail to comply with any of the terms and conditions of this Agreement, the BREEDER has the right to reclaim the cat/kitten and any offspring born in breach of this agreement at any time and with no compensation to the BUYER.

Section 2

THE BREEDER:

1. The BREEDER shall deliver the cat/kitten in optimum conditions of health, with pertinent vaccinations.
2. To ensure health of the cat upon purchase:
 - The BREEDER shall provide a Veterinary Certificate of Health issued within 10 days prior to the date of sale, or
 - The BUYER shall take the cat to their veterinarian within 3 days following receipt of the cat/kitten.The BUYER shall immediately inform the BREEDER of the results of said examination. Should any health problems be found, the BREEDER shall be liable for veterinary costs up to but not exceeding the purchase price. Should the BUYER fail to take the cat to the veterinarian within 3 days and duly inform the BREEDER in writing of the results of the same within one week following date of purchase, the BUYER shall be exonerated of all health commitments herein.
3. The BREEDER shall accept the return of the cat/kitten for a period of 7 days following the date of purchase for dissatisfaction of any kind. In this case only, the BREEDER shall return the full purchase price. If shipping is required, shipping costs shall be paid by the BUYER.
4. In no other case except for 3 above shall the BREEDER return the total or partial price of the cat/kitten. Nevertheless, should there be a genetic illness/problem, the BREEDER has the option to offer a new cat/kitten to the BUYER instead of the purchase price, if the BUYER so wishes. In all cases the final decision to offer a cat/kitten instead of the purchase price of the original cat/kitten shall always be to the discretion of the BREEDER.
5. The BREEDER will ALWAYS accept the return of the cat should the BUYER not be able to keep the animal or find a suitable NEW OWNER if the need arises. Nevertheless, in this case the BUYER has no right to any compensation from the BREEDER.
6. If the cat/kitten is for showing, the BREEDER does not guarantee the temperament or success of the animal in the show hall.

Section 3
